

Meadowmont Community Association Board (MCA)

Mission Statement

To manage, maintain and enhance as appropriate the common grounds, services and facilities for which MCA has responsibility and thereby contribute to building neighborhood value.

To maintain, at all times, an open and engaging dialogue with the Meadowmont community so that our actions are transparent and reflect an understanding of the community views.

To support and participate in a constructive and cooperative team environment with the other organizations in Meadowmont who have Meadowmont residents as primary members or customers (e.g., sub-HOA, The Cedars, DDR, Meadowmont Village businesses).

To represent Meadowmont residents to the outside community in forums that may significantly affect the future of Meadowmont.

To help build community in Meadowmont and achieve an environment in which all residents can thrive and achieve the goals of sustained, quality living in our unique diverse subdivision.
