Subject: 7-20-18 MCA Board cancelled
Attachments: RE: Meadowmont Ln Bike Lanes
Importance: High

7-16-18

In discussion with Karen and Bob the July 20th MCA Board has been cancelled.

- To date there are no urgent issues to discuss and only four members are available to attend.
- I will forward the June financials soon. These will then be reviewed and accepted at the August 17th board meeting.

A few updates:

- Please see attached re: MM Lane bike lanes. These reviews within the Town staff will take time. Maybe by the August board we will have information to review
- Summit Park roses(out) and new plants (in) is close to being scheduled. Most of the plants are in at Myatt and the drip irrigation is being checked/repared this week
- The Parkridge Park light is installed and working yet the basketball back board issue is still not resolved
- The new painted cross walks on Sprunt at Oval Park Place & Circle Park will now be done in August (were to already to have been done)
